

March 27, 1979

To: All KSA/USA Associates and Guests

From: Cecil Phillips

Welcome to Callaway Gardens for the 1980 staff meeting. This notebook contains most of the materials you will need to participate in the program, so we suggest that you share it with your spouse or other guest and bring it with you to all the meetings. To make the best use of your time, we also suggest your attention to the following tips:

1. As your only "homework assignment" for the meeting, please read the Agenda section, the Discussion Topics schedule, and whatever Recreation notes are of interest to you. Do this Thursday night so that you will be properly prepared for the program at the opening session Friday.
2. Extra copies of the Agenda and Discussion Topics schedule are available at the conference registration desk for spouses and guests.
3. Please wear your name tags at all meetings. Extras are available if you lose one.
4. All spouses and guests are welcome to all of the meetings and discussion sessions. This is an excellent opportunity to hear the KSA consulting staff talk about some of their work. In addition, there are several sessions designed by and especially for KSA spouses, as described in the Agenda section. You are free to choose among all these options each day.
5. If you brought a KSA car or a personal car to the meeting, please loan or share it with those sans wheels. Rides will be needed to some of the recreational spots.

SPOUSES' PROGRAM

All the regular business and technical sessions at the staff meeting will be open to everyone (as are all the recreational events, of course). In addition, Lani Lusk has arranged several sessions especially for the spouses of KSA staff. These are outlined below:

Friday: 10:00 - 12:00 noon -- Willow 1 Room, Cooking Demonstration

Doris Kohnagel will be presenting a cooking demonstration of cocktail food and will be giving lots of helpful hints on entertaining. This is especially for the person living in a small town without access to a gourmet shop. Doris is outstanding in her field, and we are certain that you will want to be present for this taster's delight.

Saturday: 8:00 - 10:30 a.m. -- Roof Garden, Seminar on the KSA Lifestyle

This could possibly be the only staff meeting that will occur while some of you are relocating. Take this opportunity to openly interact with other wives who are currently having (or have previously had) experiences similar to yours. Extensive voluntary audience participation is encouraged as positive and negative feelings about all aspects of being a KSA wife are fully explored. These aspects include:

Unique educational opportunities associated with relocating, culture shocks in foreign countries, absentee husbands/fathers, personal family closeness generated by this special lifestyle, education and medical difficulties for children, separation from friends and family, opportunities to develop lasting relationships with a wide variety of people, pressures of frequent moves, limitations of educational or career pursuits of relocating wives.

This meeting is open only to KSA wives. It will be moderated by Lucy Hicks.

Sunday: 9:00 - 10:30 a.m. -- Roof Garden, Charlotte Hale Allen

Charlotte Hale Allen has been a free lance writer for many years. She has published numerous articles in magazines, and she worked for 12 years as a staff writer for the Atlanta Journal-Constitution Sunday Magazine. She has written a book called Full Time Living and travels all over the country doing seminars entitled "The Time of Your Life." She will be doing a mini-seminar helping us to figure out "what we want out of life and how to get it." We look forward to seeing you there!
