Passport To The Future

KSA Consultants Conference • May 24-27, 1985

To: KSA/USA Associates and Guests

From: Bill Cameron

Welcome to Amelia Island Plantation and our 50th Anniversary Consultants' Conference. This notebook is your guide for the weekend. It is suggested that you share this information with your spouse/guest and bring it to all business sessions.

A few highlights:

1. Please go over the agenda to get the big picture.
2. All spouses and guests are welcome to all business sessions; however, please note that there are special programs for spouses (blue agenda).
3. Your passport (in the envelope) contains tickets for the three seminars (one each day). Green tickets are for Team A, yellow for Team B, and blue for Team C. Although all spouse tickets are orange, they are not identical. Tickets have been divided into two groups to assure equal distribution at each session. Check your ticket carefully.
4. A commemorative group photo will be taken Sunday at 6:30 p.m. outside the conference center. Please be prompt. The bar will open after the photo.
5. Although shuttle service is available to all events, you can walk to all but golf, tennis, fishing and horseback riding. Please study the map and other information in the Amelia Island packet you received at registration.
6. Casual dress is appropriate except the Sunday night Birthday Party which is coat & tie/suit/cocktail dress. Saturday night luau, of course, is loud shirt/muumuu. Remember, it may be windy and cool.
7. Everyone is welcome to participate in the Observer photo contest. Capture the essence of the Conference and you may win a year's free subscription to the Observer. Please mail your color or black and white photos to Janice Ryer, Communications Department, Atlanta. Business sessions as well as recreation events need to be photographed. Winning photos will be published in the Observer.
8. No tipping is the policy on the island and includes baggage handling from and to the airport by Island Transportation Ltd.
9. We encourage the use of express check-out to avoid long lines. However, as always, you should check the accuracy of the final bill. Check-out must be completed by noon Monday.
